1	Provider opens deal	2	Deal details displayed
3	Provider enters price	4	System validates input
5	Provider submits offer	6	Offer stored
7		8	School notified
9		10	Offer appears in list
11		12	Confirmation shown

Acceptance Criteria

AC-01 Must allow proposal submission
AC-02 Must validate pricing
AC-03 Must notify school
AC-04 Must allow editing before deadline

Messages and Notifications

Message ID	Type	Arabic	English
MSG-01	Success	تم تقديم العرض	Proposal submitted
ALT-01	Alert	عرض جديد مستلم	New proposal received

Fields

Field Name	Type	Arabic	English
Price	Required	السعر	Price
Submit Offer	Required	تقديم العرض	Submit Offer

User Story 6: Attendance Tracking

Objective

Ensure activity execution is tracked.

Main Scenario

A user with the permission – *Service Provider* – must be able to **record attendance** in order to **complete the activity**.

User Journey

User Steps	Action	System Steps	Expected Result
1	Provider opens activity	2	Student list displayed
3	Provider marks attendance	4	System records data
5	Provider submits	6	Data saved
7		8	System validates completion
9		10	Activity eligible for closure
11		12	Notifications updated

Acceptance Criteria

AC-01 Must display student list

AC-02 Must allow attendance marking

AC-03 Must prevent closure without attendance

AC-04 Must store records

Messages and Notifications

Message ID	Type	Arabic	English
MSG-01	Success	تم تسجيل الحضور	Attendance recorded
MSG-02	Error	لا يمكن إنهاء النشاط بدون حضور	Cannot close without attendance

Fields

Field Name	Type	Arabic	English
Attendance Checkbox	Required	الحضور	Attendance
Save Button	Required	حفظ	Save

User Story 7: Evaluation & Feedback

Objective

Enable post-activity evaluation.

Main Scenario

A user with the permission – *Teacher / Organization Owner / Service Provider* – must be able to **submit evaluation** in order to **provide feedback on the activity**.

User Journey

User Steps	Action	System Steps	Expected Result
1	User receives evaluation link	2	Evaluation form opens
3	User fills form	4	System validates input
5	User submits	6	Data saved
7		8	Feedback stored
9		10	Confirmation shown
11		12	Reports updated

Acceptance Criteria

AC-01 Must send evaluation link
AC-02 Must allow feedback submission
AC-03 Must store results
AC-04 Must update reports

Messages and Notifications

Message ID	Type	Arabic	English
MSG-01	Success	تم إرسال التقييم	Evaluation submitted

Fields

Field Name	Type	Arabic	English
Rating	Required	التقييم	Rating
Comments	Optional	ملاحظات	Comments
Submit Button	Required	إرسال	Submit
